MDBC Innovation & Sustainability Awards (MISA) 2018

**Best Social Innovation | Best Environmental Innovation
Best Start - Up / Scale - Up in Sustainable Innovation**

The 7th annual Malaysian Dutch Business Council (MDBC) Innovation & Sustainability Awards (MISA) 2018 event is here! More than just an awards program, MISA connects and engages different stakeholders that try to make the world a better place. MISA stimulates healthy competition, creates exposure opportunities for participating organizations, and provides a platform for organizations to expand their network both within, and outside of the MDBC community.

Open To All!

MISA 2018 has three categories:

- * **Best Social Innovation**
- * **Best Environmental Innovation**
- * **Best Start - Up / Scale - Up in Sustainable Innovation**

Additional information and nomination forms can be downloaded at www.mdbc.com.my/mdbc-awards-program. You can also contact us directly at misa@mdbc.com.my, or call +603 - 2722 8335 and ask to speak to Sanne or Pim.

A challenge and an opportunity! Showcase your innovation!

Participate in MISA and:

- * Stand a chance to win a prestigious award recognizing your efforts and achievements;
- * Enjoy a day and an evening of knowledge exchange and celebration with elite innovators, colleagues, business associates, and potential clients!
- * Gain attention and exposure; connect and engage with different stakeholders that may help you realize your project or business concept;
- * Start - ups and scale - ups can win different rewards made available by our partners, ranging from mentoring, fund raising advice sessions, and providing office space.
