### MEDIA STATEMENT THE DEPUTY PRIME MINISTER MINISTER OF DEFENSE

16 JULY 2021

#### ON THE NATIONAL RECOVERY PLAN (NRP) & ENHANCED MOVEMENT CONTROL ORDER (EMCO)

The National Recovery Plan (NRP) is the Government's commitment in providing a clear strategy to address the COVID-19 pandemic. The government also regularly implements strict SOP enforcement measures including compliance operations, control actions and snap checks of business premises and factories.

Yesterday alone, 180 factories and business premises were prosecuted for not complying with the SOPs and today, 65 premises were also prosecuted.

The government will not compromise if there is a violation of directives and SOPs in any situation because what is the priority now is the safety and well-being of the people. If any of the premises are still stubborn and violate the instructions of the authorities, harsh action including an immediate closure order will be imposed..

#### Termination of EMCO 34 Districts in Selangor

The government has implemented the Enhanced Movement Control Order (EMCO) in 34 districts in the state of Selangor which is scheduled to end today, 16 July 2021.

The NSC Special Session examined the presentation of the Ministry of Health Malaysia (MOH) on the current situation and agreed not to extend the EMCO in all the districts involved.

#### Implementation of EMCO

The Special Session of the NSC examined the presentation of the MOH and after taking into account the risk assessment and trend of COVID-19 infection, agreed to impose EMCO in the following localities
