ACTIVITIES AND PROTOCOLS

Action	Brief Description
Movement Control	<ul style="list-style-type: none"> No non-essential activities Is permitted outside the residential area after 8.00 pm except for emergency cases or with the permission of PDRM. Capacity of one (1) person only per private vehicle (all types). Additional passengers are subject to PDRM approval on a case to case basis. The number of people allowed in good carrying vehicles as well as chains of economic or industrial activities (except the transportation of workers) depend on the vehicle license registration. The number of people allowed in the Department Vehicle or the Official Position Car is based on the capacity of the vehicle. Land public transport activities and services (train, commuter, bus, taxi, e-hailing) are allowed to operate as usual with a capacity of 50%. The number of passengers in taxis and e-hailing is limited to two (2) people only including the driver. Arrangements to carry out official Government duties are allowed with a letter of confirmation from the Head of Department or a valid employee pass subject to the current instructions of the Chief Secretary to the Government. The movement for legal matters is based on a letter issued by MITI (CIMS). Permission to work for the private sector is only for essential services with a letter of confirmation from the employer or a valid employee pass. Only employees from essential services and factories and authorized business premises can use the approval letter from the Ministry or Department that has been issued previously.
