YEARS

BOON EDAM

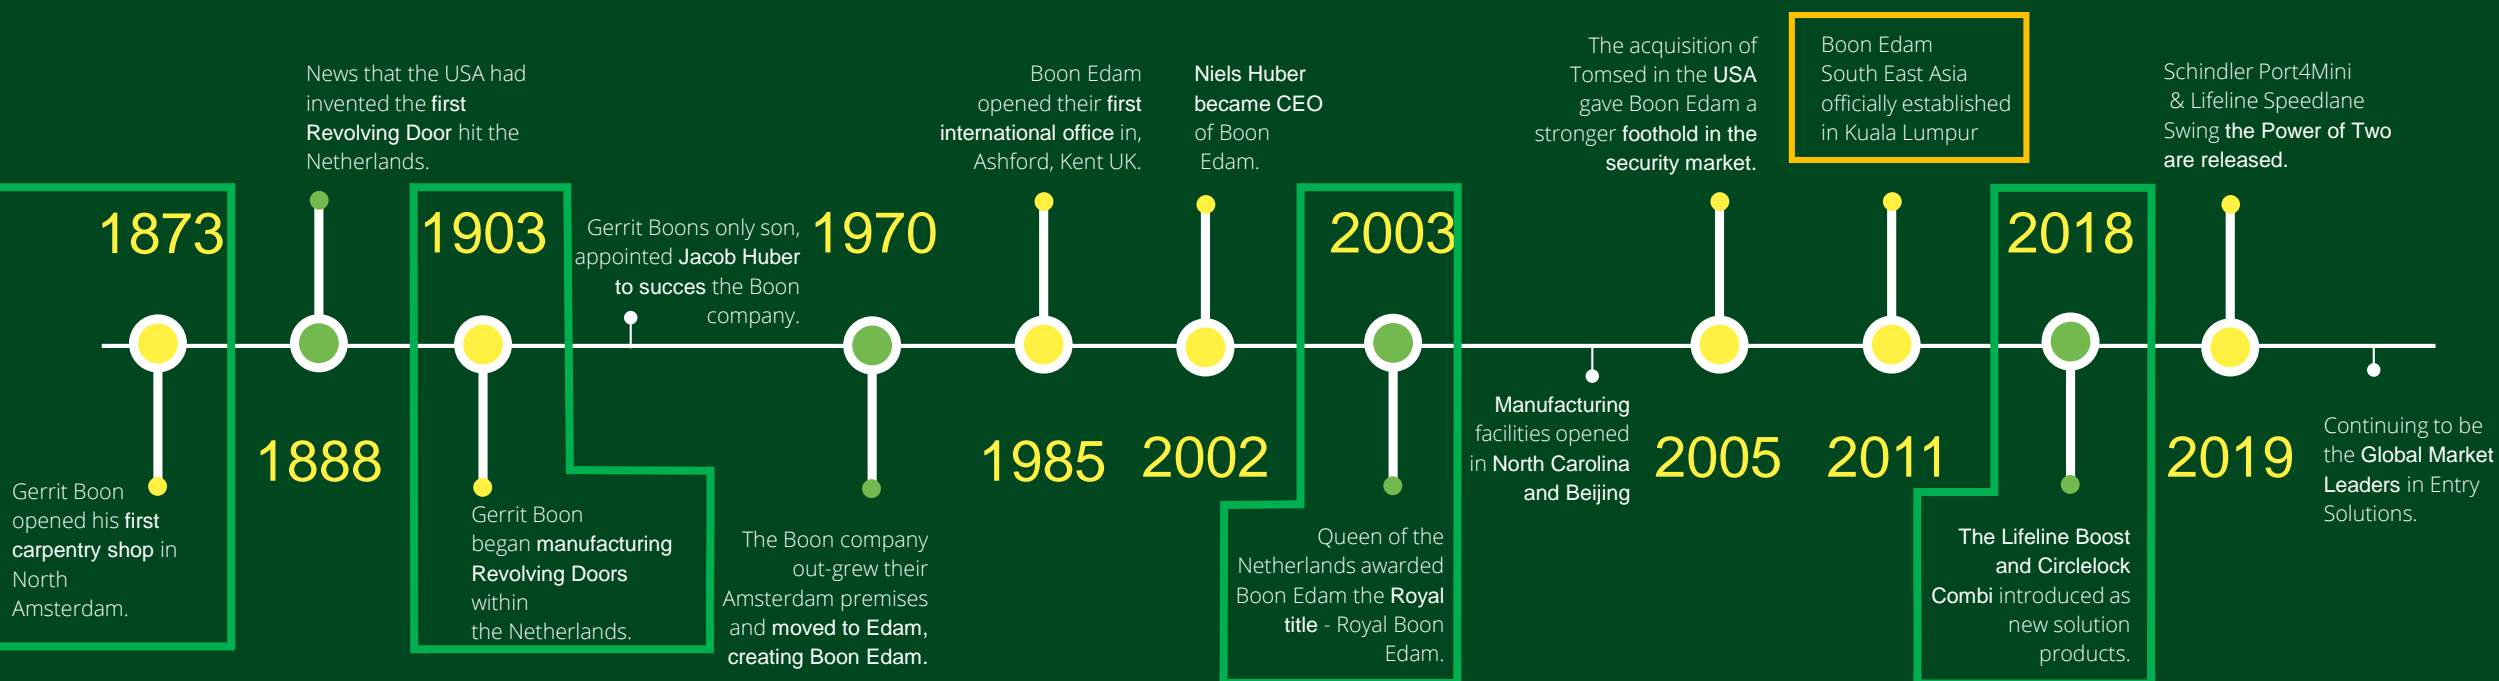

About Royal **BOON EDAM** International

- Global company that specializes in designing, manufacturing and installing revolving doors, security barriers and access gates.
- Established in 1873 in The Netherlands as a small Amsterdam carpentry shop.
- Committed to sustainability and innovation in providing high quality, environmentally friendly solutions to our customers
- Global market leader and continuously improving our products and services to meet the evolving needs of the market.
- Globally presence in 50 over countries with subsidiaries and distributors
- Our products are used in a variety of settings including office buildings, airports, healthcare facilities, government facilities and etc.

OUR TIMELINE.

THE JOURNEY TO WHERE WE ARE TODAY

THE BOON EDAM **EXPERIENCE**

OUR COMMITMENTS, YOUR EXPERIENCE.

As authentic entry experts, Boon Edam takes customers on a journey to the perfect entry solution for their project. We call this the 'Boon Edam Experience'

- our 6 key commitments.

I felt like our project was in safe hands collaborating with Boon Edam. The result is a door which recognises and mirrors the premium image of our business. You feel it as you walk through.

OUR COMMITMENTS

STRONG CONNECTION

- We cover every corner of the globe with our Sales Offices; Global Export team and Distributors.

PROVEN RELIABILITY

- Our products stand the test of time and continue to offer a safe, welcoming experience to our customers.

CAREFULLY TAILOR-MADE

- We offer tailor-made solutions rather than off-the-shelf solution to suits your desires for a more efficient and effective product and service.

ON-TREND CRAFTSMANSHIP

- We build high quality products using traditional craftsmanship techniques; while also incorporating modern design elements and trend to fit the current market needs.

SECURE INVESTMENT

- We offer scalable and flexible solutions based on your level of security requirements.

TRUSTED PARTNERSHIPS

- We partner with you on every step from design, engineering, manufacturing, installation and maintenance to guarantee that the result is worthy of the premium brand.
