

item sharing platform for employees

Sustainability works when employees take action. Bema1 makes it easy.

# What is Bema1?

A workplace platform where employees share, swap, and reuse personal items – cutting waste, saving money, and lowering CO<sub>2</sub> impact.

< Create Post

Barter (Exchange stuff)

Giveaway (Give stuff for free)

I Need (Request/Ask for stuff)

Rent (Rent out stuff)

# How it works?

1

## **List items:**

Employees list what they don't need.

2

## **Find or offer:**

Others find and request items instead of buying new.

3

## **Track impact:**

Bema1 tracks CO<sub>2</sub> savings from every exchange.

4

## **Build Community:**

The workplace becomes a community of reuse.

# Why Bema1?

Most sustainability efforts ignore employees. Bema1 gives them a way to take action – creating real, measurable impact.

**79 KG**

CO<sub>2</sub>e saved  
in last week

to save

# Sustainability Challenges Companies face

- ✓ Companies set sustainability goals, but struggle to track real impact.
- ✓ Green initiatives overlook employees – their actions can drive real change.
- ✓ Most companies lack clear data on sustainability progress.
- ✓ Bema1 connects employee actions directly to ESG goals – effortlessly.

# Impact

Every shared item reduces waste, saves money, and lowers carbon emissions – with real data for your company.

# Value Proposition

Turn sustainability into daily action  
Engage employees in real impact  
Track and showcase measurable results.

# Benefits

## **For Companies:**

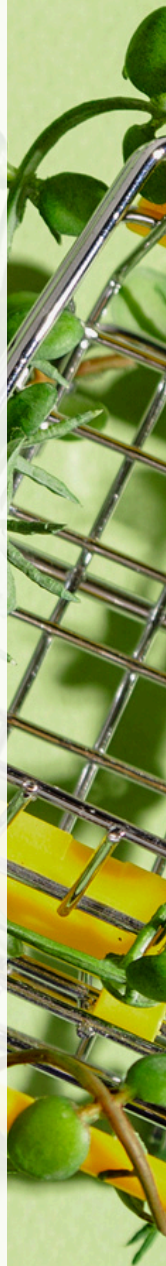

Show real ESG impact with employee-driven sustainability.

## **For Employees:**

Save money, access what you need, and reduce waste.

## **For the Planet:**

Less waste, lower carbon footprint, and a culture of reuse

# Sustainability works when employees take action. Enable it today with Bema1.

Enable your team to share, reuse,  
reduce **on repeat** (and create impact).
